ROADMAP

Purpose

This roadmap reflects the ongoing evolution of my portfolio, showcasing my design thinking, frontend development skills, and commitment to continuous improvement.

Added after the v1.1.1 release, this roadmap page displays the changelog for versions v1.0.0 through v1.1.1 and outlines plans for future versions

You can view the post-v1.1.1 changelog here: [Portfolio Changelog](#)

Last Updated: June 10, 2025

Version Strategy

Format: MAJOR, MINOR, PATCH

MAJOR: Substantial redesigns or foundational shifts

MINOR: Feature additions or significant improvements

PATCH: Minor updates or bug fixes

Initial Launch

Version: v1.0.0

Status: Released

Release Date: May, 2025

- Deployed responsive portfolio site
- Home, Contact and Roadmap pages
- Custom layout and styling using HTML, CSS and JavaScript

Initial placement of skills
